

## Administrative Information

This is information for Participants of the International Seminar on Nuclear Safety 2006, Plant Safety Course.

### • Air Ticket

You will receive the tickets through the office of airline services in your country by Prepaid Ticket Advice (PTA) system. Please contact to the ticket delivery office of the airline near your town around one week before your departure to get ticket.

You can find the airline name and your flights in the ITINERARY, which will be sent you with the visa support documents.

### • At the Kansai International Airport

A RADA person putting up a placard stating "**RADA Int'l Seminar**" will meet you at the **Information Counter** near the North Exit. The meeting point is indicated by **question mark**  in the following map. Please go to the Information Counter after passing through the custom inspection to find the person.

*\*Even if you come out from the South Exit, please come to the Information Counter by the side of a North Exit.*

*\*When there is no RADA person found near the counter at the time of your arrival, please wait until he/she appears.*

### International Arrival Lobby (1F)

You will get 10,000 Japanese yen from RADA as the subsistence allowance for immediate needs.
